INFRALINK™ APPLICATION (“INFRALINK™”)
END USER LICENSE AGREEMENT**

IMPORTANT: PLEASE READ CAREFULLY THE TERMS AND CONDITIONS OF THIS END USER LICENSE AGREEMENT (“EULA”) BEFORE DOWNLOADING OR USING **INFRALINK™** APPLICATION (“**INFRALINK™**” OR “APPLICATION”); BY DOWNLOADING AND USING THE **INFRALINK™** APPLICATION, YOU (“LICENSEE”) ACKNOWLEDGE THAT YOU HAVE READ, FULLY UNDERSTAND, AGREE TO, AND WILL BE BOUND BY THIS EULA. IF YOU DO NOT AGREE TO THE TERMS OF THIS EULA, YOU MAY NOT INSTALL OR USE THE APPLICATION. THE “EFFECTIVE DATE” FOR THIS EULA IS THE DAY YOU AGREE TO THE TERMS OF THIS EULA.

Licensor may modify the Application at any time for any reason and may provide modified and updated versions of the Application to the Licensee at Licensor’s discretion. Unless such modified or updated versions of the Application are delivered with different applicable license terms, such modified or updated versions of the Application will be considered the Application and Licensee’s use thereof shall be subject to this Agreement.

User must comply with all applicable third-party terms when using the Application, including without limitation any applicable app store or wireless provider terms and conditions.

1. Grant of License.

1.1 Licensor grants Licensee, during the Term, the following limited, non-exclusive, non-sublicensable, non-transferable license to the Application, solely for the Authorized Use, subject to and conditioned upon Licensee’s full compliance with the terms and conditions hereof. “Authorized Use” means:

(a) Licensee may use the Application for Licensee’s personal use and in accordance with the terms and conditions set forth herein. Authorized Use does not include the right to distribute, reproduce, copy, resell, or sublicense the Application to any third party for any purpose, in any form, or to authorize others to do so. Authorized Use is further restricted by the terms and conditions in Section 1.2 hereof.

(b) Licensee may use the Application on a device that Licensee owns or controls (*e.g.*, PC, laptop, mobile or tablet). Licensee is responsible for ensuring that Licensee’s device meets the minimum requirements of the Application. Hardware compatibility information will be available via the application distribution site.

1.2 License Restrictions. The rights granted in Section 1.1 are subject to and conditioned upon the following additional restrictions:

(a) Functionality of the Application will only be available to users with **INFRALINK™** accounts.

(b) Licensee may not reverse engineer, disassemble, decompile, or otherwise attempt to derive the source code of the Application in whole or in part.

(c) Licensee may not modify or make any derivative works of the Application. Licensee may not use Licensor's intellectual property, including the Application and ideas, algorithms, procedures, object definitions, methods, class definitions, templates, or hierarchies, that are part of, or are derived from, the Application, for the purpose of creating any works that are intended to be used as a substitute for the Application, in whole or in part, or any works that are intended to be competitive with the Application, in whole or in part.

(d) Licensee may not use the Application for commercial time-sharing, lease, rental or to train persons other than its authorized users, unless previously agreed to in writing by Licensor.

(e) Licensee agrees not to associate, input or upload to or through the Application any virus, Trojan horse, worm, time bomb or other computer programming routines (i) that is intended to damage, interfere with, intercept or expropriate the Application or any M.C. Dean system or technology, or (ii) that infringes the intellectual property rights of another.

(f) Licensee may not authorize any third party to take any of the actions restricted by subsections (a) through (e).

1.3 No Source Code License; Not a Sale. Licensee acknowledges and agrees that nothing in this EULA shall be construed as granting any license whatsoever to the underlying source code that is used to generate the Application. Licensee acknowledges and agrees that this EULA is a license and not a sale of the Application.

1.4 No Implied License. All rights not expressly granted to Licensee in this EULA are reserved. Without limiting the generality of the foregoing, Licensee acknowledges and agrees that it does not acquire any rights, express or implied, in or to the Application or Licensor Intellectual Property Rights, except as specifically set forth in this EULA. Under no circumstances shall anything in this EULA be construed as granting to Licensee or any third party, by implication, estoppel, or otherwise: (i) a license to any technology other than the Application, or (ii) any additional license rights for the Application other than the license expressly granted in this EULA.

1.5 Assignment. Except as otherwise provided herein, neither this EULA nor any rights granted hereunder may be sold, leased, assigned, or otherwise transferred, in whole or in part, by Licensee, and any such attempted assignment shall be void *ab initio* and of no effect.

1.6 Third-Party Application. To the extent that Licensee is provided access to any third-party applications (not owned by Licensor) through the Application ("Third-Party Application"), such Third-Party Applications may be subject to other terms and conditions. Licensee's use of any Third-Party Application is subject to, and governed by, the specified Third-Party Application license terms, except that as between Licensee and Licensor, this Section 1.6 and Sections 3.2, 3.4, and 3.5 shall also govern Licensee's use of the Third-Party Application.

1.7 Confidentiality. The Application is confidential and proprietary to Licensor. The Application may not be shared or disclosed by Licensee to any third party.

1.8 Functionality. Application users may not have access to all of the available Application functionality. Certain features of the Application may differ depending on the user device. Last, different devices and platforms may allow for slightly varied functionality.

2. Term and Termination.

2.1 Term. The term of this EULA shall commence on the Effective Date and shall continue until the term of purchased Application license is completed or terminated in accordance with the provisions of this Section 2 (“Term”).

2.2 Termination. Licensee may terminate this EULA for convenience at any time by deleting the Application from all devices that Licensee owns or controls. Notwithstanding the foregoing, with respect to any Licensee, this EULA shall terminate without any further action needing to be taken by Licensor upon a material breach by Licensee of any of the terms and conditions hereof, including any of the license provisions and restrictions contained in Section 1 hereof.

2.3 Cessation of Use; Deletion of Application. Upon termination of this EULA for any reason, Licensee shall promptly cease using the Application and shall delete it from all devices.

2.4 Injunctive Relief. Licensee acknowledges and agrees that its failure to comply with the terms of this EULA is likely to cause irreparable harm to Licensor that is not fully compensable by money damages and therefore Licensor may not have an adequate remedy at law. Therefore, Licensee agrees that, in the event of a breach or threatened breach of any of the material terms of this EULA by the Licensee, the Licensor shall be entitled to seek a preliminary and final injunction restraining the breach and/or to seek specific performance, without the necessity of posting any bond or undertaking in connection therewith. Any equitable remedies sought by Licensor shall be in addition to, and not in lieu of, all remedies and rights that the Licensor otherwise may have arising under applicable law or by virtue of any breach of this EULA.

2.5 Suspension and Termination of Access. Licensor may suspend or terminate Licensee’s rights in and to the Application in Licensor’s sole discretion including, without limitation: if a newer version of the Application becomes available; to improve the Application or a service or any functionality thereof; to add or remove access to a service accessible through the Application; to correct an error or bug; to prevent or discontinue harmful or improper access to the Application or a service thereof; to prevent or discontinue unauthorized use of the Application or a service thereof; to comply with a platform provider or government request; or to comply with a statute or judicial order.

2.6 Survival. The duties, rights and obligations under this Section 2.6, and Sections 3.2, 3.4, 3.5, and 8 shall survive any termination of this EULA.

3. **Disclaimer of Warranties; Limitation of Liability.**

3.1 Licensor shall not be liable for correcting, curing, or otherwise remedying any system defect or any other condition limiting or prohibiting normal operation of the Application, which is caused by: (a) the Licensee's own systems; (b) the Application not being properly installed, reasonably and adequately maintained and operated under normal working conditions; (c) interaction with other applications not supported by the Application; or (d) the unauthorized use or modification of the Application. Licensor shall correct any issues with the Application in accordance with the separate maintenance or service level agreement between the parties, if any.

3.2 TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AND EXCEPT AS EXPRESSLY PROVIDED FOR IN A SEPARATE AGREEMENT BETWEEN THE PARTIES OR AGREEMENT GOVERNING LICENSEE'S USE OF THE APPLICATION, LICENSOR AND ITS THIRD-PARTY SOFTWARE LICENSORS MAKE, AND LICENSEE RECEIVES, NO WARRANTIES OR CONDITIONS, EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, AND LICENSOR AND ITS THIRD-PARTY APPLICATION LICENSORS SPECIFICALLY DISCLAIM, WITH RESPECT TO THE APPLICATION, ANY CONDITIONS OF QUALITY, AVAILABILITY, RELIABILITY, SECURITY, LACK OF VIRUSES, BUGS, OR ERRORS, AND ANY IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF TITLE, QUIET ENJOYMENT, QUIET POSSESSION, MERCHANTABILITY, NONINFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE. SOME JURISDICTIONS DO NOT ALLOW LIMITATIONS ON IMPLIED WARRANTY, SO THE LIMITATIONS AND EXCLUSIONS IN THIS SECTION MAY NOT APPLY TO EVERY USER. THE APPLICATION IS NOT DESIGNED, MANUFACTURED, DELIVERED OR INTENDED FOR ANY USE WHERE FAILURE COULD LEAD DIRECTLY TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE. LICENSEE ASSUMES RESPONSIBILITY FOR THE SELECTION OF THE APPLICATION TO ACHIEVE YOUR INTENDED RESULTS, AND FOR ITS INSTALLATION, USE, AND RESULTS OBTAINED THEREFROM.

3.3 Licensee acknowledges that maintenance services for the Application are not included in this EULA. Licensee may contract separately for maintenance services for the Application through Licensor; *provided*, however, that Licensor shall not be obligated to provide such services other than as provided in a separate agreement executed by the parties hereto. Licensee also acknowledges that this EULA does not provide Licensee with the right to any revisions, bug fixes, improvements, modifications, releases, updates, product enhancements or new product features in the Application. Licensee may obtain one or more of such pursuant to the terms of a separate maintenance agreement with Licensor. Any supplemental Application code and/or documentation provided by Licensor M.C. Dean pursuant to a separate maintenance agreement as contemplated by this Section 3.3 shall be considered part of the Application and shall be subject to the terms and conditions of this EULA.

3.4 TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LICENSEE AGREES THAT NEITHER LICENSOR OR ITS THIRD-PARTY APPLICATION LICENSORS, SHALL BE LIABLE FOR ANY LOSS OF DATA OR PRIVACY, LOSS OF INCOME, LOSS OF OPPORTUNITY OR PROFITS, COST OF RECOVERY, OR OTHER

LOSS, HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY, ARISING FROM USE OF THE APPLICATION, OR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR INDIRECT DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS EULA OR THE APPLICATION. THIS LIMITATION WILL APPLY EVEN IF LICENSOR AND ITS THIRD-PARTY APPLICATION LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND THESE LIMITATIONS WILL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY PROVIDED HEREIN.

3.5 TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL LICENSOR'S, OR LICENSOR'S THIRD-PARTY APPLICATION LICENSORS', LIABILITY ARISING OUT OF OR RELATED TO THIS EULA EXCEED THE AMOUNT OF THE LICENSE FEE PAID BY LICENSEE TO LICENSOR. LICENSEE ACKNOWLEDGES THAT THIS EULA AND THE FEES PAID BY LICENSEE REFLECT APPROPRIATE ALLOCATIONS OF RISK.

4. **Intellectual Property Rights.** Licensee acknowledges that M.C. Dean and its licensors own all right, title and interest in and to the Application and all Intellectual Property Rights related thereto. "Intellectual Property Rights" means all inventions, patents and patent applications, works of authorship, copyrights, trademarks, know how, show how, trade secrets, and other similar proprietary rights, throughout the world, whether arising under federal law, state law, common law, foreign law, or otherwise. The User agrees to not remove, obscure, or alter any copyright, trademark, or other proprietary rights notice affixed to, contained within, or accessed in conjunction with or through the Application.

5. **U.S. Government End Users.** The Application under this EULA is "commercial computer software" as that term is defined in FAR 2.101 or DFARS 252.227-7014(a)(1), as applicable. The U.S. Government acquires this commercial computer software and/or commercial computer software documentation subject to the terms and conditions of this EULA as specified in FAR 12.212 or DFARS 227.7202, as applicable; *provided*, however, that Section 2 (Term and Termination), shall not apply. Instead, the parties' rights and obligations to terminate this EULA and in the event of termination shall be governed by the contract under which the U.S. Government acquired the Application. In the event that any provision of this EULA is deemed inconsistent with Federal procurement law, such provision shall be deemed severed from this EULA and replaced with Federal procurement law including, without limitation, any FAR or DFARS clauses incorporated into the contract under which the U.S. Government acquired the Application.

6. **Export Controls.** Licensee agrees to comply fully with all relevant export laws and regulations of the United States, including, but not limited to, the U.S. Export Administration Regulations ("**U.S. Export Controls**"). Without limiting the generality of the foregoing, Licensee expressly agrees that it shall not, and shall cause its representatives to agree not to, export, directly or indirectly, re-export, divert, or transfer the Application or any direct product thereof to any destination, company, or person restricted or prohibited by any U.S. Export Controls.

7. **Collection and Use of Data.** Any data provided by Licensee to Licensor as part of Licensee's use of the Application shall be subject to Licensor's privacy policy. Licensee agrees

that Licensor may collect and use technical data and related information regarding Licensee's device, system and application software, and use of the Application, to facilitate Licensor's operation and improvement of the Application. Licensor may also use aggregated and anonymized data to improve its products and develop new products and services. Certain functionality of the Application may require collection of location information. Licensee will be prompted when such functionality is enabled and Licensee may opt out of providing such information, which may limit the Application's functionality.

8. **Miscellaneous.**

8.1 The headings used in this EULA are for convenience only and are not intended to be used as an aid to interpretation.

8.2 Licensor shall not be responsible for delays or failures in its performance resulting from acts or omissions beyond its reasonable control, including acts of nature and any events, acts, or omissions fully attributable to third parties.

8.3 No delay or failure of Licensor in exercising any right hereunder, nor any partial exercise thereof, shall be deemed a waiver of any of Licensor's rights unless evidenced by a signed writing expressly waiving such right(s).

8.4 The parties enter this EULA as, and shall remain, independent contractors with respect to one another. Nothing in this EULA is designed to create, nor shall create between them, a partnership, joint venture, agency, or employment relationship.

8.5 Except for any agreement that may exist between your employer and Licensor, this EULA constitutes the entire and only agreement between the parties in relation to its subject matter and replaces and extinguishes all prior or simultaneous agreements, undertakings, arrangements, understandings or statements of any nature made by the parties or any of them whether oral or written (and, if written, whether or not in draft form) with respect to such subject matter. The invalidity or unenforceability of any terms or provisions of this EULA shall not affect the validity or enforceability of any other terms or provisions.

8.6 All notices required or permitted under this EULA shall be in writing and shall be effective when delivered in person or sent by registered or certified mail, return receipt requested, or by personal courier, to an appropriate officer of the party receiving such notice and at the addresses set forth in the Order, or any more recent address known to the sending party.

8.7 Except where the Licensee is a U.S. Government End User, (a) this EULA shall be governed by and interpreted in accordance with the laws of the Commonwealth of Virginia (without regard to its principles of conflicts of law), and (b) the parties irrevocably consent to the exclusive personal jurisdiction and venue in the state courts located in Arlington County, Virginia and the United States District Court for the Eastern District of Virginia. If Licensee is a U.S. Government End User, this EULA shall be governed by and interpreted in accordance with federal procurement law.
